Hobart in one box

> Runway 12/30 **2,727 m**. **No curfew.** Tower 0550 to 2210 local standard time. No FBO: ground handlers listed by the airport. Parking of itinerant aircraft approved in advance; general aviation apron open in daylight only. Jet A-1 only.

The address to give your driver

Give the driver the handler and the apron named in your flight brief. The general aviation apron is reached through an airside gate on the corner of Gatty Street and Long Street, and the handler arranges the access in advance.

How your flight is handled

Arrival and departure at Hobart Airport

Arriving

1. We send the meeting point, the time to arrive and the aircraft details before you travel.
2. You are met at the aircraft or at the handler’s facility, as set out in your flight brief.
3. International arrivals: Border Force and biosecurity clearance is arranged in advance and the place is confirmed for your flight.
4. Your car, or a helicopter or boat transfer where the destination needs one, meets you on the other side.

Departing

1. Arrive at the time we confirm; it depends on the airport and the aircraft.
2. Identification is checked against the passenger details we hold.
3. The handler or the airport takes you and your luggage to the aircraft.
4. Domestic flights have no customs step; international departures include formalities.

If Hobart Airport does not suit

AIRPORT	FROM HOBART AIRPORT	NOTE
Launceston Airport (YMLT)	North, about 175 km by road	A larger airport in the north of the state, a long way by road. See our Launceston Airport guide.
Melbourne Airport (YMML)	North-west, across Bass Strait	The nearest large mainland airport, used when a flight turns back to the mainland.

> If the flight is cancelled because of the weather, a full refund is provided, or you can rebook on another date, it’s your choice.
