The curfew in one box

> No take-offs or landings between **11 pm and 6 am** (Sydney Airport Curfew Act 1995). Airservices says some exemptions, including for some business jets, end from 1 November 2026 once Western Sydney is available for night movements: check before planning a late movement. A delay does not move the curfew; we plan to be on the ground by about 10 pm.

The address to give your driver

Give the driver the handler’s address: ExecuJet, Hangar 394, Ross Smith Avenue, Mascot NSW 2020, or the one in your flight brief. Do not use the terminal addresses of the airline terminals.
